

TEAR TAPE

A cleaner and safer tear

Self-adhesive tear tape providing fast, safe and easy opening of corrugated and fiberboard cartons.

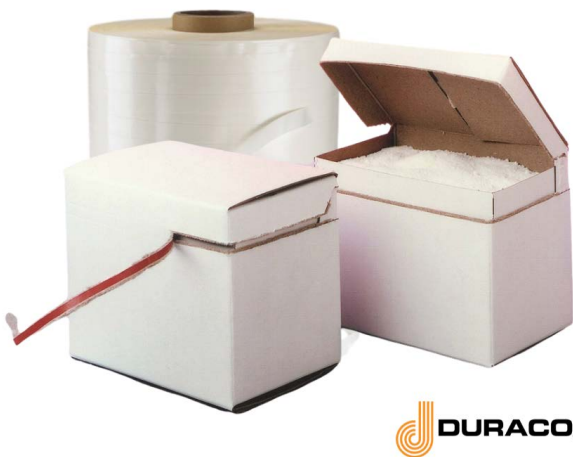

FEATURES:

- Provides fast, safe and immediate opening of corrugated and fiberboard cartons
- Clean-tear system helps to maintain a clean edge on the outer liner so that corrugated containers can be easily transformed into display trays for effective shelf positioning

APPLICATIONS:

- Corrugated mailing envelopes
- Shelf-ready store display shipping cartons
- Reinforcement for corrugated packaging
- Easy opening for corrugated packaging

SPECIFICATIONS:

- Adhesive: Aqueous-based pressure sensitive
- Liner: MOPP
- Thicknesses: 60 and 125 microns
- Other thicknesses available upon request
