## APPLICATIONS:

- Wall decor
- Promotional and temporary signage
- Temporary and permanent displays
- Single use graphics
- Consumer packaging
- In kits unattached to graphics
- Wobblers and shelf talkers

## SPECIFICATIONS:

- Removable adhesive on both sides
- Application temperature range 65-100°F
- Service temperature range -20-150°F
- Holding power of 1/2 lb. per sq. in of tape
- For lightweight applications or filling gaps
- Intended for one time use

Duraco's  
line of  
tapes for  
mounting.

Can't find your size?  
**We customize.**

Duraco's Remo Two® products deliver reliable, resourceful, and removable solutions to mount a variety of applications. These double-sided removable foam tapes were designed to improve the mounting process and provide a durable bond for strong holding power overtime. Instead of using nails, screws, and mechanical fasteners that put holes in walls, our tapes leave no damage or residue behind.
